4. As per clause 7.5, Employees posted at a station/office for a longer period has been considered for transfer-out first from that station/office.
5. In case the number of online applications for a particular station is more than the number of vacancy available or requirement, preference has been given to those employees who have served shorter tenure at their present station in comparison to other employees who opted for that station. Also preference for choice station/office has been given first to LDC then UDC and Assistant, subject to administrative feasibility.
6. As per clause 7.7, employees who are due for retirement on superannuation within next two years have been considered.
7. As per clause 7.2, Transfer requests of employees who have completed minimum tenure at a particular station/office have been considered subject to administrative feasibility and availability of vacancies.

8. Employees, who could not be recommended for posting at one of their preferred options, have been recommended for posting as per administrative requirements/feasibility.
9. As per clause 5.4, Employees who have completed maximum tenure and who failed to give any option, are posted as per administrative requirement/feasibility.
10. Transfer requests of employees, who have not completed minimum tenure at a particular station/office have not been considered except in case of administrative exigency.
11. As per clause 6.1, Employees have been transferred to SRO-Alwar (Opening of new offices/ establishments) on account of administrative exigencies.
12. The requests made on spouse grounds and PH have been considered, if administratively feasible.
