Circular

Subject: Rollout of Zero Trust Network Access (ZTNA) Framework for Enhanced Security and Endpoint Compliance.

With reference to above captioned subject, it is to inform about the deployment of a Zero Trust Network Access (ZTNA) framework across all ESI endpoints. This framework will be **implemented through an agent-based installation** ensuring basic security and endpoint compliance across the organization.

Key directives:

1. The rollout must commence with immediate effect for the computer systems with at least 4 GB RAM and is to be completed by 25/07/2025 by nodal officers of ICT of all the accounting units (RO/SRO/Hospital etc.) and all ESIS hospitals and dispensaries under their jurisdiction.
2. Weekly progress reports are to be submitted by heads of all the accounting units (RO/SRO/Hospital etc.) to **pmu-nw.hq@supportgov.in** with a Cc to **ankit.malik@esic.nic.in, cto-hq@esic.gov.in and to their respective Zonal ICs / Zonal MCs** by 17:00 hrs of every Friday for a review by the Office of the Chief Technology Officer (CTO), .
3. Post the cut-off date, all public-facing Uniform Resource Identifier (URI) will be transitioned to the ZTNA framework.
4. BYOD Access to ESIC assets will be enabled via the new ZTNA Uniform Resource Identifier (URI), with authentication enforced through LDAP integration; and Multi-Factor Authentication (MFA) for valid users.

This issues with the approval of Competent Authority.
